Overview

Social science research, which presupposes freedom of intellectual choice and opinion, need to be encouraged by a developing nation. India has not only encouraged it, but also promoted it with state patronage.

Following the Independence of India in 1947, as part of our nation-building programme there were efforts to make social science a holistic knowledge system. India's problems were unique and the tools available to study them were all invented in the West, which did not always prove useful. A strong need was felt to develop a methodology relevant for understanding Indian complexities in the field of social science research. Integrating our intellectual traditions with the forces of modernisation was a challenge that had its own positive and negative connotations. The State came forward with its interventionist role to take up the daunting task. It could not have been taken up by any other agency both for financial and operational reasons.

Towards this pursuit, on 12th December 1968, the Ministry of Education (now known as Ministry of Human Resource Development), Government of India, established the Indian Council of Social Science Research (ICSSR) as an autonomous organisation. The chief architects of this endeavour included Professor V.K.R.V. Rao, Professor D.R. Gadgil, Professor M.N. Srinivas, Professor P.N. Dhar, Dr. S.K. Mitra and Shri J.P. Naik, among others. The ICSSR was formally launched in

May 1969. It was considered a significant achievement of evolving Indian democracy.

Objectives of the Council are:

- To review the progress of social science research and give advice to its users;
- To sponsor social science research programmes and projects and administer grants to institutions and individuals for research in social sciences;
- To institute and administer scholarships and fellowships for research in social sciences;
- To indicate areas in which social science research is to be promoted and adopt special measures for development of research in neglected or new areas;
- To give financial support to institutions, associations and journals engaged in social science research;
- To arrange for technical training in research methodology and to provide guidance for research;
- To coordinate research activities and encourage programmes of inter disciplinary research;
- To develop and support centres for documentation services and supply of data;

- To organise, sponsor and finance seminars, workshops and study groups;
- To undertake publication and assist publication of journals and books in social sciences;
- To advise the Government of India on all matters pertaining to social science research as may be referred to it from time to time; and
- To take such measures generally as may be necessary to promote social science research and its utilisation.

This is the **45th** Annual Report of the Indian Council of Social Science Research (ICSSR) covering the period from **1st April 2013 to 31st March 2014**. The ICSSR's decision making body, known as the Council, has 26 members, which includes Chairman, 18 Social Scientists, six representatives

of the Government of India nominated by the Government and Member Secretary appointed by the ICSSR with the approval of the Government of India. The list containing members of the Governing Council is given at **Appendix – 1**.

The ICSSR secretariat is headed by the Member Secretary and has 29 officers and other officials. The ICSSR's professional staff, apart from official duties, are academically active and have also contributed a number of seminar papers and research reports during the year.

The Council has four '**Standing Committees**' comprising members drawn from the Council and from outside (not more than three). **Table 1.1** shows the number of meeting the Council and its Standing Committees held during the year 2013-14.

Research Promotion

Research Projects (Responsive)

The funding of research projects is one of the most important activities of Indian Council of Social Science Research. Under its programme of Research Projects (Responsive), it provides grant to social science scholars for conducting research on specific themes and issues as proposed by the applicants. In general, grants under this head are awarded to a study which proposes to contribute at a theoretical and/or conceptual level or aimed at generation of new field work based data and policy implications thereof. The studies could be both macro and micro in nature. The broad disciplines of study may belong to any one of the following social science disciplines or may be interdisciplinary in nature:

- i) Sociology and Social Anthropology
- ii) Political Science/Public Administration and Allied
- iii) Economics and Allied
- iv) International Studies
- v) Social Geography and Population Studies
- vi) Commerce and Management
- vii) Social Psychology and Allied
- viii) Education and Allied
- ix) Social Linguistics/Socio-Cultural and Allied

- x) Law, International Law and Allied
- xi) National Security and Strategic Studies
- xii) Any other Social Science Discipline

Objectives

The objectives of the Research Project Programme are to support research, to achieve excellence in research activities in the social sciences.

The specific objectives of the Programme are:

- to support high quality independent programmes of research;
- to provide opportunities for training of future Researchers;
- to contribute to the development of elaboration of new theoretical or methodological approaches to research;
- to maintain and sustain varied disciplinary research activities;
- to foster and promote collaborative, multidisciplinary research activities among Researchers in the social sciences and;
- to facilitate communication of research outputs both within and beyond the academic community as well as to provide policy inputs to administrators and policy makers.

The year-wise position of research projects sanctioned, since the inception of ICSSR, projects cancelled/ withdrawn/ closed and reports received till 31st March 2014 is furnished herewith in **Table 2.1**.

During the year 2013-14, **187** research projects were sanctioned by the ICSSR on a wide range of issues. These included **65** projects to SC and **25** to ST scholars respectively. The final reports of **151** research projects sanctioned in the past were received during the year. The details of Research Projects sanctioned and

final project reports received during the year have been given in **Appendix-3**.

Research Projects (Sponsored)

This programme of Research Studies (Sponsored) is a series of research projects conducted simultaneously or sequentially on themes of critical significance, focus on the issues of contemporary relevance, less explored areas of study and which involves policy implication.

The Indian Council of Social Science research (ICSSR), under its '**Sponsored Studies Programme**', invited proposals from individual/ group of scholars/ institutions for commissioning research studies in the following thrust areas of social science research under the XII Five Year Plan 2012-17:

Themes under Sponsored Research Programme

I

1. Growth, Poverty and Inequality.
2. The Agrarian Crisis.
3. Globalisation of Finance and its Implications.
4. Economics of Discrimination: Implications for Poverty and Growth.
5. Corporate Governance, Ethics and Corporate Social Responsibility.

II

1. Education-Issues Relating to Governance, Access, Equity and Quality.
2. Changing Nature of Caste in Urban and Rural Context: Patterns and Causes.
3. The New Indian Middle Class.
4. Economic and Social Issues Confronting the Religious Minorities.
5. Economic and Social Issues Confronting the Marginalised Social Groups.
6. Social-Psychology of Marginalisation and Exclusion.

III

1. Changing Nature of Public Protest and Political Mobilisation.
2. Identity, Interests and Coalition: Changing Nature of Politics in India.
3. Electoral Reforms and Representative Democracy.
4. Socio-economic Roots of Extremism in India.
5. Law and Justice in the Post-liberalisation Era.
6. Changing Dynamics of State Politics: Implication for Indian Federalism.

IV

1. Changing Nature of Global Hegemonic Structures.
2. Emerging Challenges of Indian Foreign Policy.
3. Regional and Trans-regional South-South Cooperation.
4. India's Changing Security Environment.

V

1. The Urban Transformation: Governance, and Socio-Political Articulations.
2. The Post Liberalisation Rural Transformation.
3. Culture, Literature and Society: Emerging Trends.
4. Theoretical Approaches in Social Sciences.

5. Indian Intellectual Traditions and their Contemporary Relevance.
6. Social Media, Media Ethics and Regulations: The Impending Issues.
7. Research Methodology in Social Sciences with Focus on Discipline of Political Sciences, Sciences, Sociology, Psychology and Education.

VI

1. Gender Violence-Concept, Pattern and Incidence in Public and Private (Family) Spheres.
2. Gender Violence: Caste, Ethnicity, Religion and Regional Dimensions.
3. Social Roots of Gender Violence in India-Processes Related to Economic, Social, Cultural Transformation.

During the year 2013-14, **65** Research Studies were sanctioned by the ICSSR on the themes stated above and three final reports of the earlier sanctioned sponsored projects have been received. The details of sanctioned research projects and final project reports received have been given in **Appendix-3**.

National Fellowships

Indian Council of Social Science Research (ICSSR), under its Research Fellowship Programme, has been offering National Fellowships on its own initiative to eminent social scientists who have made outstanding contribution in their respective fields of social Sciences. The ICSSR has so far awarded **142** National Fellowships. During the year 2013-14, **17** National Fellowships were awarded and three final reports were received (**Table 2.2**).

Senior Fellowships

Senior Fellowships of the ICSSR are awarded to such social scientists who have significant publications including books and research papers to their credit in professional social science journals. The ICSSR has so far awarded **541** Senior Fellowships. During the year 2013-14, **34** Senior fellowships were awarded and eight final reports were received (**Table 2.2**).

Post-Doctoral Fellowships

Post-Doctoral Fellowships of the ICSSR are awarded to young social scientists who have completed their Ph.D. degree and are interested in pursuing their research activities further. The ICSSR has so far awarded **1013** Post-Doctoral Fellowships. During the year under report, **404** Post-Doctoral Fellowships were awarded and **22** final reports were received (**Table 2.2**).

Doctoral Fellowships

The Doctoral Fellowships of the ICSSR are awarded to scholars who have a first or second class Master's degree from a recognized Indian University and are registered for a doctoral degree in any of the social science subjects. The ICSSR awards these fellowships through two of its flagship schemes: **(i) Centrally Administered Open Doctoral Fellowships** and **(ii) Institutional Doctoral Fellowships**.

Under the open scheme, the ICSSR awards fellowship on its own, while under the institutional scheme, the designated ICSSR Institutes make their own selection with the approval of the Council. The fellowship is awarded for a period of two years extendable by one year in exceptional cases.

The ICSSR has awarded **3196** doctoral fellowships since its inception. During the year 2013-14, **141** SC candidates, **46** ST candidates and **260** General candidates were awarded doctoral fellowships by the Council. Also, **98** Institutional Doctoral Fellowships

were awarded in the same year. Statement of respective fellowships awarded year wise may be seen at **Table 2.4**.

Partial Assistance Grant was not given to the doctoral scholars during this year.

The list of respective fellowships awarded and the list of fellowship reports received during the year are given in the **Appendix-4**.

Training and Capacity Building Programme

The ICSSR, as part of its research promotion activities, sponsors short-term training courses in research methodology in order to improve research skills and competence of the young social scientists to undertake research. Research institutions, college/ university departments and other academic bodies are provided financial support to organize training courses in research methodology and computer applications in social science research for the benefit of both young faculty of college/ universities and Ph.D scholars. These Training courses are organized on general social science research methodology, or in computer applications in social science. During 2013-14, a total of **71** proposals were approved including **53** under Research Methodology and **18** under Capacity Building Programme (**Appendix- 5**).

National and International Seminars

The ICSSR in its endeavour to encourage dialogue and discussion on important issues of social science relevance, promotes and provides partial financial assistance to organize international conferences and national seminars in India. The **'ICSSR's Seminar Grant Scheme'** aims at facilitating research in different disciplines of social sciences and interdisciplinary areas. The seminars provide opportunities to national and international social science Researchers, academicians and scholars to exchange views and opinions, address and debate research questions on themes of contemporary and policy relevance and generate academic

research output on important social issues. Another major objective has been to promote seminar activities in backward and neglected areas and to encourage scholars from special categories like SC, ST, OBC, Minority and Women.

The ICSSR received 900 proposals for holding seminars in the year 2013-14. Out of these **647** proposals were placed before the 'Expert Committee' for evaluation. The proposals were recommended keeping in view their varying nature, level of participation, perspective and financial requirements. In all, **400** seminar proposals were approved for the ICSSR seminar grant in the year 2013-14 with a committed expenditure of ₹ 820 lakhs, consisting of 130 proposals for organizing International Conferences and 270 for National Seminars. Out of these, 61 proposals belonged to SC and 18 to ST category. Three proposals belonged to scholars who were physically/ visually challenged.

Overall, the ICSSR Seminar Grant Scheme could maintain the momentum gained in the year 2012-13. As a result the trends of two & half-fold increase in the physical targets and an eight-fold increase of financial targets were achieved in the year 2013-14 as well.

The list of seminar proposals approved including their sanctioned amount and convener's category under the International Conferences and National Seminars categories for the year 2013-14 may be seen at **Appendix-6**.

Future Perspectives

'ICSSR - Amartya Sen Awards for Distinguished Social Scientists'

The Amartya Sen Awards for Distinguished Social Scientists have been instituted under

the aegis of the Indian Council of Social Science Research (ICSSR), the apex national organization for promoting social science research in India. These prestigious awards are an opportunity to honour the outstanding contributions made by social science scholars towards promoting scientific knowledge in the domain of social sciences. These are envisaged to be distinguished awards for social science research in India, similar to the Shanti Swarup Bhatnagar Awards in Sciences given by the 'Council of Scientific and Industrial Research (CSIR), Govt. of India'.

The award comprises a citation, and a cash award of ₹ 10 lakh. Each year up to ten awards are given to scholars who have made outstanding contributions to social science research. Any citizen of India/overseas citizen of India (OCI)/Persons of Indian Origin (PIO), below the age of 55 years, as on 31 December of the year of the award, engaged in research and who has made contribution to any field of social sciences, will be eligible for consideration for this award.

Each year, one Amartya Sen Award would be considered to be conferred in each of the following disciplines of social science research;

1. Economics
2. Commerce / Management
3. Sociology / Social Work / Social Anthropology
4. Political Science /International Studies / Public Administration
5. Geography / Population Studies
6. Psychology / Education
7. Legal Studies/ Human Rights
8. Gender / Marginalized Group Studies
9. History / Archaeology

10. Philosophy / Cultural Studies

The awards for 2012 have been given by the ICSSR based on the recommendations of the 'Awards Committee' and final approval of the 'Council'. The 'Awards Committee' considered only the names as recommended by the 'Subject Screening Committees'. The Amartya Sen Awards were announced on May 6, 2013 through a formal presentation ceremony at Vigyan Bhavan, New Delhi.

The Awardees are:

1. **Political Science -**
Prof. Pratap Bhanu Mehta
President, Centre for Policy Research,
New Delhi.
2. **Economics -**
Dr. Vamsicharan Vakulabharanam
Associate Professor
University of Hyderabad, Hyderabad.
3. **Sociology -**
Prof. Surinder S. Jodhka
Centre for Studies in Social Systems
Jawaharlal Nehru University,
New Delhi.
4. **Law -**
Prof. Kalpana Kannabiran
Director,
Council for Social Development,
Hyderabad.
5. **Education -**
Prof. Sudhanshu Bhushan
National University of Educational
Planning and Administration,
New Delhi
6. **Geography -**
Dr. Anu Kapur
Associate Professor
Delhi University, Delhi

Documentation

The National Social Science Documentation Centre (NASSDOC), an important unit of the ICSSR, provides documentation, information and library support to the social science research community through its various activities and schemes.

Library and Reference Service

The Library of ICSSR - NASSDOC has a wide range of collection (25,989) of reference sources like bibliographies, encyclopaedias, directories etc.; grey collection consisting of doctoral theses, research project reports; special collection on research methodology, research surveys on all social science disciplines including library & information science and computer & information technology. The library is open from 9.30 AM to 6.00 PM from Monday to Saturday and is closed on Sunday and all gazetted holiday.

A total number of **8408** research scholars visited the library during the year 2013-14. A large number of reference queries were attended on telephone, in person and through correspondence/ e-mail/ fax/ etc. Research related information was provided to scholars from NASSDOC's collection, its in-house databases and by exploring electronic sources and several other Internet based sources.

Library Membership

ICSSR-NASSDOC library's membership is open to the following categories of readers:

Official Members: These include ICSSR Council members / senior officials of the ICSSR secretariat and regular professional staff of the ICSSR (i.e. Research Assistants / Documentation Assistants and above). They are entitled to borrow books from the library.

Consulting Members: Consultation facility is extended to academicians, research scholars, students and members of general public that may include retired persons and other categories of readers as well. Consultation membership fee is ₹200 per annum (minimum ₹50 for one month).

Borrowing Members: Borrowing facility is extended to social scientists, academicians, students and general readers who are registered as members of the library. Books are issued against a deposit of ₹500/- per book. Two books can be issued to an individual member at a time.

Institutional Members: Institutional membership is available against a payment of ₹4000/- per annum. Five books can be borrowed by an institutional member for a period of one month.

There is no fee for guest readers who want to consult the library for a day or two. They are issued a guest card for the day.

Library membership form is available at library counter and can also be downloaded from ICSSR website www.icssr.org.

A total number of 404 scholars have taken membership during the year and two institutions have also renewed their membership.

Circulation of Documents (Issue / Return)

The scholar using services of NASSDOC is usually a Researcher who is working for his/her Doctorate / Post Doctorate or writing a conference paper or working on some research project. For this purpose, he/she needs journal articles, grey literature including institutional papers e.g. working papers / discussion papers/ occasional papers. This is a consultation collection which has to be used in the reading room only by a scholar. However, a total number of **468** documents, other than grey literature, were circulated among ICSSR staff members and other borrowing members.

Inter-library Loan

For providing books/ journals to scholars/ libraries, which are not available in NASSDOC, it gets them on loan from other libraries. Similarly, books and journals are issued to outside libraries. During the year, 44 books were issued to outside libraries.

E-Resources

Two computer terminals in the reading hall are specifically devoted for the use of e-resources. Members can also refer to online journals in the reading room of the library. Eight online e-resources and one offline database were subscribed during the year:

1. EconLit (1969 onwards) (Economic Literature from American Economic Association).
2. Indiastat and its all other associate sites (Datenet India).

3. International Political Science Abstracts (IPSA) (with back files since 1951 onwards).
4. Journal Citation Reports – Social Sciences Edition, 2012.
5. Prowess (offline) (from Centre for Monitoring Indian Economy).
6. PsycINFO (from American Psychological Association, 1806 onwards).
7. Social Science Citation Index with Abstracts (2003-2014).
8. Sociological Abstracts (1952 onwards).
9. DELNET (Developing Librarian Network, gives accesses to 11 databases).

Apart from these, the Centre also subscribed to following e-resources with full text downloadable facility:

1. JSTOR. It was subscribed for NASSDOC and 24 Research Institutes of ICSSR under ICSSR consortium of E- Resources in Social Sciences.
2. J-Gate Social & Management Science.
3. J-Gate Library & Information Science.
4. LISTA with full text (Library, Information Science and Technology Abstracts).

These are full text article databases in various disciplines of social sciences. The searched results can be saved, copied or emailed. These e-resources were used by 409 scholars at NASSDOC premises. Besides these scholars, the e-resources were used for answering reference queries, compilation of bibliographies and for providing other services of NASSDOC.

Acquisition of Books / Theses / Periodicals

During the year, **284** documents have been added to the NASSDOC collection. It included **276** books and conference papers/proceedings, five Ph.D Theses and three Research Project Reports (**Appendix 11**). **102** journals (foreign and Indian) were also subscribed. Out of these, **705** issues of periodicals were received through subscription / gratis. In addition to this, **18** daily newspapers and **13** popular magazines were subscribed for the readers. Annual Reports of Ministries and Departments of Govt. of India and various institutes were also added to the collection of NASSDOC.

Compilation of Short Bibliographies/ Literature Search Service

During the year under report, **98** short and select bibliographies with abstracts (**Appendix 11**) on various topics related to social sciences research were compiled and supplied to research scholars and ICSSR officers on the basis of demand received from them.

Continuing Education Programme

In order to keep in touch with the latest developments and to develop specialised skills in accessing social science information, NASSDOC organises short-term training workshops / seminars / interactive sessions and lectures under its 'Continuing Education Programme' on regular basis. These programmes provide an easy way to refine and upgrade the information locating skills of information professionals, Researchers and others who are working in academia, business and government. These training courses are constantly improved using feedback received from the participants and the resource persons. During the year, following workshops / seminars were organised: -

1. Training Workshop on "Web Technology and Information Resources" at MPISSR, Ujjain from 13-15 May 2013.
2. Professional Development Programme for "Managerial Librarianship for Social Science Libraries" at TERI, New Delhi from 17-19 July 2013.
3. Training Workshop on "Open Source Software: A Tool to Manage Research Outputs" at BITS, Mesra from 23-25 Sept. 2013.
4. Training Workshop on "Leadership Development and Team Work for Excellence Performance" at CRISP, Bhopal from 23-27 Sept. 2013.
5. Training Workshop on "Information Resource Management: Emerging Technologies and Innovations" at GIDS, Lucknow from 28-30 Nov. 2013.
6. Training Workshop on "Library Automation through OSS" at INMANTEC, Ghaziabad from 28th Feb to 2nd March 2014.
7. Training Workshop on "Storage and Retrieval of Legal Information" at NLUI, Bhopal from 8-10 March 2014.
8. Training Workshop on "Library Automation and Content Development-Using Open Source Software" at BIMTECH, Greater Noida from 21-23 March 2014.

Current Awareness Service

The purpose of this service is to let the scholar know of new developments in his / her field of research. It was provided by bringing out NASSDOC New Arrivals (Jan 2013 – March 2014), an in-house publication.

Apprenticeship

Under the Apprenticeship Act, 1961 of Ministry of Labour, Govt. of India, NASSDOC provides one year apprenticeship to those Library Science Diploma and Degree holders who have graduated in the current year. During the period, four candidates were recruited under the scheme.

Internship Training

B.Lib.Sc. (Bachelor in Library Science) students are required to undergo one month rigorous internship training to fulfil their course requirement. University of Delhi and Jamia Millia Islamia depute 4 – 5 students every year to NASSDOC. Under this programme, these students are engaged in different sections and they are given all round exposure of working of NASSDOC and its activities. After one month training programme, NASSDOC issues a certificate to each student as per the grading system of the university.

Educational Tour

NASSDOC is a part of curriculum of various Library and Information Science schools of Indian universities and other educational institutions. Students and teachers of these universities and institutions visit NASSDOC to acquaint themselves with its programmes, services and technology used in its services. The students of Library and Information Science and trainees from the following universities / departments visited NASSDOC as a part of their study tour / course programme:

Research Survey Programme

The Council, since inception, has undertaken the task of surveying research developments in chosen disciplines of social sciences through its programme of surveys of research. The core objective of the surveys has been to have a comprehensive overview of research undertaken during a specified period, involving stock-taking of what has been achieved in the discipline in terms of theory, methodology, empirical evidence and gaps which need to be

prioritised for future agenda.

The Council has undertaken the **Sixth Round of ICSSR Research Survey** in the discipline of Psychology, Political Science, Geography, Sociology & Social Anthropology and Economics covering the period preferably 2003-09. An 'Advisory Committee' consisting of eminent social scientists was formed to oversee the work of Research Surveys. The surveys have been renamed as 'Surveys and Explorations'. The Research Survey Reports pertaining to Political Science have already been published and Economics and Geography have been sent to M/S Oxford University Press for its publication. The final Research Survey Report pertaining to Psychology is likely to be ready by December, 2014. The three volumes i.e. **Emerging Concepts, Structure and Change, Development and Change & Identity, Communication and Culture** pertaining to 'ICSSR Research Survey and Explorations in **Sociology and Social Anthropology**' were released by Prof. Sukhadeo Thorat, Hon'ble Chairman, ICSSR during 10-11 February, 2014 at a

glittering function organized by the ICSSR at JNU Convention Centre, New Delhi. A National Conference was also organized to commemorate the occasion. The conference was attended by eminent social scientists including the Chief Editor, Theme Editors and Paper Contributors belonging to the respective volumes representing central, state universities and other esteemed organizations in the discipline of Sociology and Social Anthropology. The volumes were published by M/s Oxford University Press (OUP), New Delhi.

Regional Centres

The Regional Centres were established as part of the Council's programme of decentralising administration, broad basing social science research, and involving social science institutions in the region in promoting social science research. Their main roles were defined as follows:

- Represent the ICSSR within the region and spread the message and the programmes of the ICSSR to social scientists in the region;
- Bring the ideas and problems of the social scientists of the region to the notice of the ICSSR for possible action;
- Bring the social scientists of the region closer for promoting social science research within the region; and
- Serve as a link between the social scientists of the region and the national and international community of social scientists.
- Organizing lectures by distinguished scholars;
- Assisting regional professional associations of social scientists and social science journals in the regional languages;
- Providing low-cost accommodation (wherever possible) to scholars/students visiting the place for library or field work;
- Awarding study grant to scholars for visiting libraries and institutions for academic work;
- Providing photocopying facilities to scholars, especially photocopies of selected articles from journals etc.; and
- Any other activity that may promote social science research in the region and/or any such activity that may be delegated by the ICSSR.

Activities

- Promoting documentation and bibliographical work in the regional languages;
- Organizing seminars/ workshops/ conferences in the region;

Regional Centres have developed infrastructure and research support facilities over the years with the assistance provided by the ICSSR and the host institute. These include hostel/guest house facilities, library space, conference halls, seminar rooms reprographic facilities etc.

Research Institutes

Background

The Indian Council of Social Science Research provides maintenance and development grant to 25* Research Institutes. Sponsoring of research institutes outside the scope of the University Grants Commission has been one of the major programmes of the Council in enlarging the base of social science knowledge, improving the quality of research, and promoting an interdisciplinary perspective. These institutes constitute an important mechanism for implementing the Council's policy of dispersal of research talents and building up of research capabilities in the different regions of the country, particularly in the areas where social science research is not yet well developed.

The Research Institutes have established close links with the scholars in the region as well as elsewhere through various activities such as seminars, workshops and training and consultancy programmes. Some of the institutes are closely associated with national and state level planning and development agencies, and have thereby strengthened the link between research and policy making.

Each institute determines its own direction of research, which includes a wide spectrum of subjects related to agricultural and rural

development, industrial structure and growth, income distribution and poverty, employment and wages, inter-regional differences in levels of development, education, health, nutrition, problems of weaker sections of society including women, energy, technology, ecology and environment, and social, cultural and institutional aspects of development. Thus, research studies have generated substantial empirical knowledge of the structure of Indian economy, polity and society and their dynamics both at the national and regional levels.

During the last five years, **1367 research projects** have been completed by the institutes, while **1847 are on-going**. These cover a wide spectrum of issues relating to areas that are already mentioned above. What is more significant in these efforts is that they are not only interdisciplinary in character, but also focused on regional and local problems. In this process, they have become centres of research for the region's specific issues and have greatly contributed to an awareness of the nature of development problems and potential of the country as a whole. In terms of publications, the institutes have brought out **755 books** and **993 working papers** during the last five years.

* *Research Institute, i.e. Gandhian Institute of Studies, Varanasi has been de-registered by the District Court, Varanasi and therefore not eligible to receive grant as per the rules.*

Another important activity, that has been given importance by the Council, is training of young social scientists by the research institutes through M.Phil. and Ph.D. programmes, workshops and seminars. During the last five years, **190 Ph.Ds.** have been produced and **1182** scholars have been working on their Ph.D. The Council can legitimately take pride in its role in promoting the research and training efforts made by the research institutes. During the year, **273** research projects were completed whereas **441** are ongoing.

Research institutes disseminate the results of their research studies in the form of published books, mimeographs, working/occasional papers etc. During the year under report, **167** books, **49** monographs / mimeographs and **811** working / occasional papers / articles/ research papers were published.

The institutes also undertake training of young social scientists and assist fresh Researchers in designing and conducting their research. To this end, doctoral fellowships have been provided to these institutes. Some of the institutes have been assisting in teaching and training programmes for M.Phil. and Ph.D. students. In addition, as per the Council's policy, they participate in postgraduate teaching, research guidance in the universities and also involve the university teachers in their research programmes. During the year, **371** scholars were working under the guidance of the faculties of the research institutes, **45** were awarded Ph.D. degrees and **21** scholars submitted their doctoral dissertations. Seven hundred seventy (**770**) seminars and workshops were held during 2013-14.

Conferences/Seminars/Lectures

During the year, the Institute organised nine national and one international seminars and twelve workshops/training programmes.

Ph. D. Programme and Research Affiliation

The Institute has a rigorous and well established unique PhD teaching Programme. During the first year, Ph.D. students have to undergo a rigorous Research Methodology Course which includes advanced lectures in subject discipline, training in quantitative techniques and perspectives in main Social Science Disciplines. Institute also allows part-time students and the selection procedure is quite meticulous. During the year, 11 scholars were awarded Ph.D, four submitted their theses and 49 were pursuing research work. Besides, five foreign scholars were affiliated to the Institute for research on various themes for short durations.

Research Infrastructure & Databases

A special feature of the ISID has been its efforts at developing databases to facilitate learning through research in the area of industrial policy as well as in other spheres of economic and social science studies. The databases—On-Line Index (OLI) of Indian Social Science Journals, Press Clipping Archive and Communication Networking—constitute the core infrastructure of the Institute.

On-line Databases of Social Science Journals & News Paper Clippings

ISID On-line Index to Indian Social Science Journals offers a unique facility to retrieve the desired information through keyword search to the users. The Index covers 210 Indian social science journals in various disciplines of social science.

The Institute has been maintaining on-line computerized newspaper clippings—referred to as the Press Clippings Index (PCI)—on

wide-ranging subjects to help users to search, identify and view the clippings at the click of a button.

Media Centre

The '**Media Centre**' of the Institute seeks to generate debate and raise public awareness on important economic and social issues. In this direction, the Institute has produced a number of films.

Also, the Institute offers training courses to introduce young scholars to various audio-visual techniques and production process, and, to use media as an important channel for dissemination of information

Library

The library provides a variety of services to its users such as reference queries, referral services, reprographic services, document

delivery services and inter-library loan. It has inter-library loan arrangement with reputed libraries in Delhi. To facilitate easy and quick access to the new collection, a current awareness service is provided by the library on a regular basis in the form of new books/ reports that are added to library. The library arranges to provide photocopies of limited number of pages of books, journals and press clippings to outside users.

Presently, a collection of about 500 digital documents is hosted on Greenstone and is accessible within campus network. Total collection of back volumes of journals/ periodicals are 2397 as on March 31, 2014. The library currently subscribes to a total of 139 publications comprising academic journals, periodicals & magazines, and 15 English daily newspapers. During the year 2013–14, a total of 147 books were added to the library.

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of Indian Council of Social Science Research for the Year Ended 31 March 2014

We have audited the attached Balance Sheet of Indian Council of Social Science Research (ICSSR) as at 31 March 2014, the Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 20(1) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The audit has been entrusted for the period up to 2017-18. These financial statements include the accounts of six regional centres of the ICSSR. Out of these one regional centre was audited and comment included in the report. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/ CAG's Audit Reports separately.
3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining on a test basis, evidence supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
4. Based on our audit, we report that:
 - (i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - (ii) The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format prescribed by the Government of India, Ministry of Finance.
 - (iii) In our opinion, proper books of accounts and other relevant records have been maintained by the ICSSR in so far as it appears from our examination of such books.
 - (iv) We further report that:
 - A. Balance Sheet**
 - A.I Liabilities**

A.1.1 Corpus/Capital Fund (Schedule 1&1-A) ₹ 37.91 crore

Western Regional Centre, Mumbai and Eastern Regional Centre, Kolkata had shown ₹ 2.62 crore and ₹ 0.15 crore respectively under 'Reserve and Surplus' instead of 'Corpus/Capital Fund' resulting in understatement of 'Corpus/Capital Fund' by ₹ 2.77 crore and overstatement of 'Reserve and Surplus' by the same amount. This is being pointed out since 2010-11 but corrective action has not been taken.

A.2 Assets**A.2.2 Current Assets Loans & Advances (Schedule 11 & 1-A) 18.42 crore**

(i) Pre-paid expenses of ₹ 44.47 lakh has been shown in the account as expenditure instead of current assets resulting in understatement of current assets and overstatement of expenditure by ₹ 44.47 lakh.

B. General

B.1 As per Accounting Policy No. 10, provision for gratuity and leave encashment is accounted for on actuarial valuation, but no actuarial valuation of gratuity and leave encashment liabilities as on 31 March 2014 has been done. However, as per actuarial valuation of gratuity and leave encashment as on 31 March 2007, a liability of ₹ 27.38 crore has been worked out against which ICSSR has made a provision of ₹ 120.19 lakh only under-Deferred Credit Liabilities in the North-Western Regional Centre, Chandigarh Accounts.

B.2 No depreciation has been provided on library books & gifted books at ICSSR headquarters since its inception.

B.3 Depreciation policy

- Although the accounting policy states that depreciation is provided on written down value method as per rates specified in Companies Act, the ICSSR and its regional offices do not uniformly adopt depreciation policy. Some units are applying rates prescribed by Income Tax Act while others are using Companies Act rates. Apart from the rates, method adopted for depreciation is also non-uniform. Different units are using straight line and written down value methods. ICSSR need to apply uniform policy and rates for depreciation in its all regional offices and Hqrs. office.
- Depreciation rate of 15 per cent (₹ 3.60 lakh) has been adopted by the RC, Hyderabad instead of 60 per cent (₹ 14.40 lakh) for Library Books resulted in short provision of depreciation of ₹ 10.80 lakh during the year 2013-14. This resulted in understatement of Expenditure and overstatement of Fixed Assets by ₹ 10.80 lakh.
- Depreciation rate of 5 per cent (₹ 1.94 lakh) has been adopted by the RC, Hyderabad instead of 10 per cent (₹ 3.88 lakh) for Office Building resulted in short provision of depreciation of ₹ 1.94 lakh during the year 2013-14. This

resulted in understatement of Expenditure and overstatement of Fixed Assets by ₹ 1.94 lakh.

B.4 Consolidation of Accounts

- Consolidated Receipts & Payments Account and Income & Expenditure Account of ICSSR headquarters and its six Regional Centres have not been prepared. Two sets of Receipts & Payments Account and Income & Expenditure Account have been prepared i.e. one for ICSSR headquarters and another for its Regional Centres. This does not give a complete view of the financial activities of ICSSR. As per Income & Expenditure Account of RO, Shillong, Grant of ₹ 8.92 lakhs has been shown as received during the year from Ministry of External Affairs (₹ 1.50 lakh), Ministry of Economic Affairs, GOI (₹3.42 lakh) and Department of Social Welfare, Government of Meghalaya (₹ 4 lakh). But in the main account of ICSSR, this amount has not been shown. This needs to be reconciled.

C. Grants-in-aid

ICSSR had an unspent balance of ₹ 30.15 lakh (Plan: ₹ 1.33 lakh and Non- Plan: ₹ 28.82 lakh) of previous year. During the year 2013-14, ICSSR received a total grant of ₹ 15409.86 lakh (Plan: ₹ 9548.68 lakh & Non-Plan: ₹ 5861.18 lakh) from the Government of India, Ministry of Human Resource Development, Department of Secondary and Higher Education out of which ₹ 632.00 lakh was received on 31 March 2014. During the year, the Council has its own Receipts for ₹ 196.76 lakh (Plan ₹ 107.17 lakh: Non-Plan ₹ 89.59 lakh). The ICSSR utilized ₹ 14847.52 lakh (Plan: ₹ 9651.21 lakh and Non-Plan: ₹5196.31 lakh) leaving a balance of ₹ 789.24 lakh (Plan: ₹ 5.96 lakh and Non-Plan: ₹ 783.28 lakh).

It had ₹ 71.87 lakh as unspent balance of previous year from funds received from Ministry of Minority Affairs & Ministry of Social Justice & Empowerment in the past. During the year, it received ₹ 23.40 lakh from Ministry of Minority affairs and utilized ₹ 7.24 lakh leaving a balance of ₹ 88.03 lakh on these two projects as on 31.3.2014.

- D. Management letter:** Deficiencies which have not been included in the Audit Report have been brought to the notice of the Member Secretary, Indian Council of Social Science Research, through a management letter issued separately for remedial /corrective action.

- (v) Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.
- (vi) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true

and fair view in conformity with accounting principles generally accepted in India:

- a. In so far as it relates to the. Balance Sheet, of the state of affairs of the Indian Council of Social Science Research as at 31 March 2014; and
- b. In so far as it relates to Income and Expenditure Account of the surplus for the year ended on that date.

Annexure to Audit Report

1. Adequacy of Internal Audit System & Internal Control System:

- ICSSR has an internal audit cell which does pre-checking before making final payment. However it does not conduct the internal audit of the Council or its units on regular basis.
- The audit of all the Regional Centres were conducted by the Internal Audit Cell only upto 2005-06.

2. Adequacy of internal control system

- Annual accounts have been compiled from the un-audited accounts submitted by two Regional centers viz. Shillong and Chandigarh. It indicates lack of control on the reporting and account of its centres.
- The Management's response to external audit objections is not effective as nine Inspection Reports & 82 paras for the period from 2001-02 to 2010-11 were outstanding as on 31.3.2014.
- No corrective action was done for certain issues pointed out in previous audit reports.

3. Physical Verification of Fixed Assets:

Physical verification of fixed assets of ICSSR hq. had been conducted for the year 2013-14 but of its Southern Regional Centre, Hyderabad had not been conducted. Information regarding physical verification of fixed assets of remaining Regional Centres was not furnished.

4. Physical verification of inventory

Physical verification of inventory such as stationery and consumables, etc. of ICSSR Hqr. had been conducted till the year 2013-14 and in respect of Regional Centre, Hyderabad had not been conducted for the year 2013-14. The information regarding physical verification of inventory of remaining Regional Centres was not furnished.

5. Regularity in payment of statutory dues:

No statutory dues over six months were outstanding as on 31.03.2014.

Schedule -25**CONTINGENT LIABILITIES AND NOTES ON ACCOUNTS**

CONTINGENT LIABILITIES: Claims against the Entity not acknowledged as debts. ₹. Nil (Previous year ₹. Nil)

CURRENT ASSETS, LOANS AND ADVANCES: In the opinion of the Management, the current assets, loans and advances have a value on realization in the ordinary course of business, equal at least to the aggregate amount shown in the Balance Sheet.

TAXATION: In view of there being no taxable income under Income-tax Act 1961, no provision for Income tax has been considered necessary.

Corresponding figures for the previous year have been regrouped/rearranged, wherever necessary.

Schedules 1 to 25 are annexed to and form an integral part of the Balance Sheet as at 31/03/14 and the Income and expenditure Account for the year ended on the date.

The Ministry of Minority Affairs entrusted the work of conducting evaluation © (scholarship & MSDP) Minority Concentration Districts. (MCDs) for which an amount of ₹.23,40,000/- was sanctioned. The work began in March 2012 and remain continued during 2013-14.

A sum of ₹.7,24,658/- was spent during the financial year 2013-14 out of funds available from Ministry of Social Justice and Empowerment.

The valuation of retirement liabilities for Leave encashment, Gratuity and Pension was given to M/s Charan Gupta Consultants Pvt. Ltd., Actuarial Consultancy Service. The Actuary had arrived the liability to the extent of ₹.2737.91 lakhs as on 31.03.07. These liabilities were not provided as the funds were not made available by the MHRD during the financial year.

COMMITTED LIABILITY

An expenditure of ₹ 7,79,93,206/- was expected to be incurred under Non-Plan (Salary Component) against the arrears of implementation of VI CPC in 6 Regional Centres and CPR, New Delhi and V & VI CPC in AN-SISS, Patna and VI CPC arrears of Non-academic staff of ISEC, Bangalore. For this purpose an additional funds of ₹ 600 lakhs were provided by MHRD as on 31.03.2014 and the balance sum of ₹ 1,79,93,206/- was to be utilized out of the available funds with the Council.

Thus an amount of ₹ 7,79,93,206/- being committed liabilities for implementation of V & VI CPC as stated above could not be utilized due to non-receipt of the approval from the MHRD during the financial year 2013-14. However, the ICSSR vide its letter No.1-1/2014-15/ICSSR(Fin) dated 30.04.2014 has sought permission of the MHRD to carry forward this amount of ₹ 7,79,93,206/- in the financial year 2014-15, over and above the regular sanctioned Non-Plan budget of this year, in view of the fact that it is a committed liability of the ICSSR.
